## Direct Flights from Buffalo Niagara

Integrated express, commercial passenger carrier and air-cargo activity within the region is concentrated at the Buffalo Niagara International Airport (BNIA). There is additional cargo capacity at the Niagara Falls International Airport. Toronto Pearson International Airport, a 90-minute drive from Western New York communities, is a major hub serving Canada's largest city. Toronto Pearson has non-stop service to 200 cities including San Francisco, Seattle, Beijing, Dublin, London, Paris, Rome and Munich.

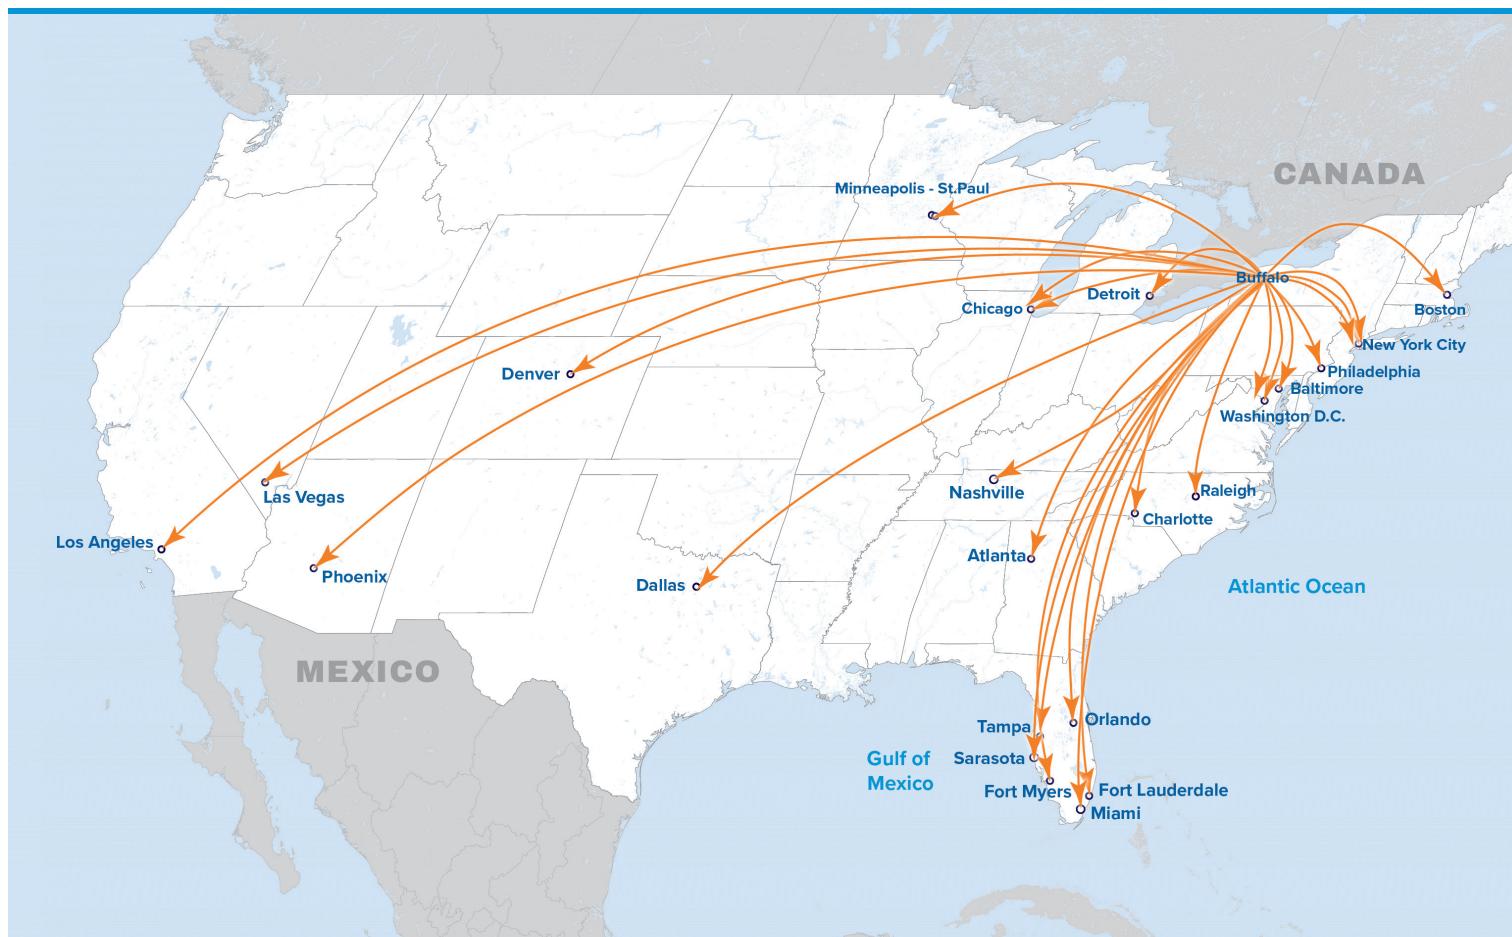

**Average one way fare: \$200**
